Institute's Core values

SSPM College believes that college education is not merely to teach curriculum but it is a medium to impart knowledge and thorough transformation in the personality of the student. For us, higher education is everybody's right. We think that the responsibility of an educated person is not only to endeavour for personal and professional success but also to contribute to the society and nation.

COMMITMENT

- Support the mission and vision of the College.
- Focus on student and other stakeholder's needs.
- To keep pace with the demands of the changing time.
- Arrange programmes to meet needs of the society around
- Transparency in academic, financial and administrative process

RESPECT

- Inclusion of every stakeholder in the decisions that affect them.
- Dignity of every stakeholder and encourage feelings of self-worth.
- Promote trust through professional courtesy and fair treatment.
- Recognize and support to every contributor of the college

EXCELLENCE

- Exhibit quality in staffing, facilities, programs, and services.
- Encouraging continuous improvement.
- Anticipate needs and respond accordingly.
- Endeavour for creativity and innovation.
- Utilize systems that promote student and faculty success.
- Encourage decision-making at the level of implementation.
- Encourage interdepartmental collaboration.
- View setbacks as learning experiences.
