The approval for increase in intake (additional course(s)) / variation in intake is valid for two year from the date of issue of this letter for obtaining affiliation with concerned University and fulfilling concerned State Govt. requirements for admission.

*The int. variation shall take appropriate measures for provision of lodging and food, in the light of decision of Supreme Court of India in Para No. 105 (20) 1998. In case of failure to provide the provision of lodging for the students, the Council shall not be responsible for withdrawal of approval.

The additional intake is being granted based on the projection shown in the Detailed Project Report regarding additional building space, faculty and other facilities for the proposed intake. It may be noted that all facilities including additional built up area should be made available before the commencement of the next academic session. Random surprise inspection would be carried out to verify facilities and if the status is found deficient in relation to norms & standards of ACTE, appropriate action would be initiated by the Council.

Please note that other terms & conditions mentioned in the earlier letter of extension of approval / increase in intake / grant of additional courses will remain same.

The approval is granted based on the approval of the information by the institution on infrastructural facility and academic facilities created for the proposed course(s). Therefore the approval is subject to the verification of the claims made by the institution through an Expert Committee (EC). In case the claims made by the institution are found to be false, the approval granted shall be liable to be withdrawn.

If the above revised order is not in conformity with Courts direction (if any) it may be treated cancelled.

The aforesaid proposal for increase in intake (additional course(s)) has been processed in accordance with MHRD Letter No. 1-42009-10-1 dated 12.08.2009.

Yours faithfully
